A large, modern stone sign for Alma High School stands on a grassy lawn. The sign is composed of two main parts: a lower, wider base made of rough-hewn grey stone, and an upper, narrower section made of smooth grey concrete. The words "ALMA" and "HIGH SCHOOL" are mounted on the upper section in large, bold, orange-red 3D block letters. To the left of the sign is a small, rounded green bush. In the background, a brick school building is partially visible behind several large, leafy green trees. An American flag flies on a tall pole behind the trees. A paved road and a dark pickup truck are visible on the left side of the image.
