They threw the ball over the net.

"The ball must not hit the ground,"
cried Sammy's team.
"Somebody catch the ball."

Sammy caught the ball on his nose!

A boy on the other team tried
to catch the ball on his nose, too.
"Boys must catch with their hands,"
said the teacher.

Sammy tried to catch the ball
with his flippers.
"Seals must catch with their noses,"
said the teacher.
